

Celebrating the Life of William Kent McGuire

It is with a heavy heart that we inform you that Kent McGuire passed away on March 1st, 2018 of an apparent heart attack. Kent was the founder, and with Linda McGuire, the owner of PRECO, Inc. for the past 25 years. Kent was a great leader and visionary but always focused on the best interest of everyone around him. We were blessed to have known him.

Kent leaves behind a successful company and team of employees that were built on integrity and hard work. The existing staff has already assumed his duties and PRECO will maintain the high standard and quality of service that all of you rely on. We appreciate your continued support.
